

Night and Day
Cole Porter

Night and day you are the one
Only you beneath the moon or under the sun
Whether near to me or far it's no matter darling, where you are
I think of you night and day

Day and night, night and day
Why is it so that this longing for you, follows wherever I go
In the roaring traffics boom, in the silence of my lonely room
I think of you, night and day

Night and day, under the heart of me
There's an oh such a hungry yearning burning, inside of me
And this torment wont be through
Till you let me spend my life making love to you
Day and night, night and day
