

SLAVE TO LOVE

MICHAEL SUMMERS

I want I need something I can't see so completely
A voice to me whispers in the night to awaken this in me
And that voice says to me
When you going to give it up is when you're gonna be free
I admit, and then I obey

I'm slave you see., such a catastrophe
A slave of Love, in the first degree
Baby I'm a slave you such a catastrophe, your slave

I need a fix of your so-called love to appease me now
Above the voice that whispers in the night to awaken this to me
But alone it won't do
When I want to give it up
I want to give it to you
I submit, and then I obey

I'm slave you see., such a catastrophe
A slave of Love, in the first degree
Baby I'm a slave you such a catastrophe, your slave

(Ooh my body rocks) with sweet sensations
(ooh my body talks) up and down my spine
(ooh my body rocks) sweet sensation

On my own yes it can't be
First you got to give it up if you wanna be free
